

## ADDENDUM #2

On September 1, 2017, the New Hampshire Departments of Health and Human Services & Information Technology published a request for proposals to procure a software system and associated services for the New Hampshire Department of Health & Human Services (the Department) in order to develop and implement an integrated data management system that provides real-time information about the availability of involuntary and voluntary inpatient psychiatric beds in the State of New Hampshire..

The Department is publishing this addendum to:

**1 Delete and replace Section 2 SCHEDULE OF EVENTS (Page 7), with:**
